This Trust Application seeks to effectuate a donation of the water right to be used exclusively for fish maintenance and enhancement, recreational uses and preservation of environmental and aesthetic values as allowed under RCW Chapters 90.03. 90.42 and 90.58. Further, this donation has biological benefits and addresses limiting factors for fish species. Therefore, we request expedited processing under WAC 173-152-050(2) (b) and (3) (a).

Certain applications may incur a Real Estate Excise Tax liability for the seller of the water rights. The Department of Revenue has requested notification of potential taxable water right related actions and therefore may be provided with a copy of this request.
